

# Booking and Payment Information

To book onto our junior Program simply follow the details below. From the start of our 2019/2020 program on Monday 9th September, We are moving to a new system which spreads the cost of junior Program squads and Easter and Summer tennis camps over 12 months helping to make playing tennis more affordable with no large one off payments needed. The summer and Easter camp days can be confirmed closer to the camps. Payments will be taken on the basis that the standing order is a payment in advance for the following month.

### **What does your standing order cover?**

The 12 monthly payments will cover 38 weeks term time squads, one squad for each of the 3 half term weeks and will also cover 5 days of Easter or summer camps between Sept 2019 and the end of August 2020. (Terms and conditions apply) Below are the term dates for our 2019/20 year starting 9th Sept 2019

The standing order will cover all of the 41 weeks listed below Performance packages and 2 squad per week packages only include one squad session during the 3 half term weeks as we are expecting our performance players to be competing at these times.

### **Why are Camp days included?**

We want our players of whatever level to have the opportunity to play all year round. Packaging the sessions this way means that there are less big one off outlays during the summer to attend the camps.

### **What if I cancel my standing order?**

If the standing order is cancelled you can still attend squads up to the end of the month that the standing order was last taken. For example; if your standing order was paid on 1st may and then cancelled you can continue to attend squads until the end of may.

Because of the way that the payments are spread throughout the year, camps days can only be redeemed if the standing order was paid in the month that the camp takes place.
